

*For the purpose of this event, IM2030 procures the services of Zoom Video Communications, Inc., an external service provider. The registration and proceedings of this webinar are supported by the Zoom communication platform and subject to its technical performance. This event is an effort by IM2030 to benefit a wide global audience, by increasing awareness about global issues and by sharing the opinion of experts and other speakers of relevance, as well as by disseminating information and best-practices in support of Sustainable Development. This IM2030 outreach effort is part of UNITAR's mandate to build the capacity of participants in Member States of the United Nations, particularly from developing nations. UNITAR strives to ensure a professional delivery of these open webinars, but is not responsible for the opinions or comments of those experts and other speakers. The expression of any opinion whatsoever concerning the legal status of any country, territory, city or area or of its authorities, is not necessarily endorsed by UNITAR. It remains the sole responsibility of an external contributor to this event.*
